

WHAT IS THIS PDF?

- This PDF contains the complete collection of all American Sign Language courses included in our [ASL Bundle](#). Use the clickable blue links in this PDF to access content.

BRAND NEW TO ASL?

- Great! The next page has a “suggested” order of study. Jump in and start signing immediately. These courses numbered as 1, 2, 3. Here’s a [quick start guide video](#).
- It’s **VERY** useful to first look through the [Intro & Info course](#) to share your story, learn about the instructor, and get acquainted with using and navigating the [ASL Bundle](#).

HOW TO USE THIS PDF

- Print this PDF or use it as a reference. Check off the courses as you earn [Certificates of Completion](#). Embrace your sign language journey. Sign. Smile. Be Delighted.

IMPORTANT!

- Our ASL courses have individual themes and can be taken in any order. Each individual course contains all required sign language content to successfully earn the Certificate of Completion. Feel free to jump around between ASL Bundle courses and content.

THE COURSE LINKS

- Use the blue clickable links below course images in this PDF to access the courses.
 - If you’re [logged in](#), the links will bring you directly to the course curriculums.
 - If you’re not logged in, the links will bring you to the course preview pages.

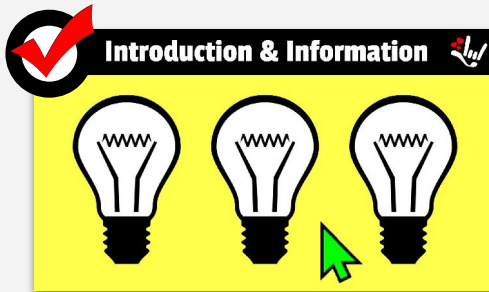

DIGITAL DOWNLOADS

- The [ASL Digital Downloads](#) course includes printable ASL coloring pages, ASL font, ASL eBooks, ASL greeting cards, and more. Enjoy!
