150 Pairs Of Similar Signs

Sign Pairs List Alphabetical List

- The following eight (8) pages contain complete checklists of all ASL signs in this course. Use the lists to track your progress.
- The first three (3) pages show the 150 pairs of similar signs in the same order they're listed in the course. Lesson links are included.
- The following five (5) pages show all signs in this course listed alphabetically. Lesson links are included as well.
- If you're logged in, the blue links on the following pages go directly to the corresponding lessons. To login <u>click here</u>.
- **Tip:** Print these pages. The dimensions are 8.5x11 inches (letter size). Check off the signs as you learn them.
- **Pro Tip:** Use a **highlighter** to mark signs which you find challenging. Return for more practice.
