

- The following pages contain complete checklists of all ASL signs taught in this course. Use the checklists to track your progress.
- The first nine (9) pages show signs in the same order they're listed in the course. Lesson links are included.
- The last eight (8) pages have an alphabetical list of all signs taught in this course. Lesson links are included.
- If you're logged in, the blue links on the following pages go directly to the corresponding lessons. To login click here.
- Tip: Print these pages. The dimensions are $8.5 \times 11$ inches (letter size). Check off the signs as you learn them.
- Pro Tip: Use a highlighter to mark signs which you find challenging. Return for more practice.
